

Your Name _____ (optional)

Garden Club members, please check every area of interest:

Lectures/Demonstrations

___ Vertical Gardening/Living walls – Planting outdoors up and on walls with lightweight materials and automatic watering.

___ Long-term care of Orchids in the home.

___ Shade flowers and landscaping for shady areas.

___ Bonsai Trees. How To Demonstration.

___ Tablescapes – creating “scenes” on your table with plants, flowers and decorations.

___ Weed Warriors...help eliminate invasive species from our area...it’s a Montgomery Co. Weed Warrior program

___ Growing herbs for medicinal/healing purposes...This presentation would be presented by member Faith Frankel. MD.

___ Knot Gardening...is a garden with a very formal design in a square frame consisting of a variety of flowering plants surrounded by hedges.

___ Photographing gardens & flowers

___ Mushrooms growing and foraging

___ Wildflowers for natural gardening

___ Seed Harvesting and separating plants for replanting or trading.

___ Peonies and Hydrangeas

___ Companion Planting: What plants work well together, put veges in with traditional ornamental plant beds.

___ How to incorporate native plants into our gardens

___ Moss Gardening. Making a “moss milkshake” to grow your own moss garden on ground, rocks, etc.

___ Add to any lecture: a plant swap or gardening books that you’d like to get rid of but could swap with others!

___ Drought tolerant planting/Xeriscaping and water conservation in the garden

___ Lavender... growing, propagating and using

___ Adding sculpture, rock, and interest in garden design. Dos and don’ts.

Hands On Programs

___ Holiday centerpiece/wreath. Transform from Thanksgiving through Christmas/Hannakah

___ Succulent wreath or container with instruction on succulents

___ Bring in an unusual container and design flower arrangement or patio/hanging basket
